DISCOVER OUR LOCAL AREA

The Old Coach House is located in North Stainley, a picturesque village known for its cricket pitch and duck ponds, on the edge of The Yorkshire Dales. It is a quintessentially British village with a relaxed atmosphere and stunning scenery, surrounded by the rolling Nidderdale Hills.

Just over the road is our sister company The Staveley Arms, where all guests can dine and drink from their award-winning menu.

At the heart of the area known as God's Own County, North Yorkshire offers stunning scenery, proud local residents and delicious local produce, served in huge portions.

On the doorstep is Ripon, England's oldest registered city, with its thriving market and impressive gothic cathedral. Alongside its thriving weekly market, Ripon is also known for its interesting museums, including the Police and Workhouse Museums which are well worth a visit.

WHAT'S NEARBY

Stately homes are plentiful within easy reach, our closest being Newby Hall and Gardens, which is privately owned and open to visitors in the summer, offering gardens designed by Capability Brown, and lots for the younger guests to enjoy too, with regular special events throughout the year. The National Trust's Fountain's Abbey and Studley Royal are also easily accessed by road and well worth a meander.

Brimham Rocks is approximately a 20 minute drive away across stunning Dales countryside, and provides an amazing walking and climbing experience for the brave, as well as an all encompassing panoramic view of our gorgeous countryside.

Rail enthusiasts are in good company in Yorkshire. The famous North Yorkshire Moors Railway is easily accessible for a trip on a steam train, and the scenery to be viewed from our local trains is stunning. Our closest railway station is Thirsk, which has direct routes to London in less than three hours.

WALKING

The Yorkshire Dales have long been a mecca for all types of walkers, from serious long-distance hikers to gentle day walks. A gentle 20 minute circuit of our village starts from outside The Staveley Arms, or for the more intrepid, download the 5 mile circular walk around North Stainley taking in the beautiful setting of the pub and the village, from woodlands, farm tracks to the banks of the River Ure.

The Ripon Rowel is a long distance 50 mile walk, taking in wonderful sweep of countryside, villages and wooded valleys around the ancient city of Ripon, divided into five legs.

ATTRACTIONS

Local attractions are abundant, and many celebrate the best of Yorkshire's provenance, much of which we are delighted to serve in The Staveley Arms. Wensleydale is a short drive away, and the Creamery at Hawes' visitor centre is well worth a visit. The local Black Sheep and Theakston's breweries are twenty minutes away in historical Masham, which also boasts a thriving market and a day spa at Swinton Park.

For the thrill-seekers Lightwater Valley theme park is located within walking distance of The Staveley Arms and features Europe's longest rollercoaster, The Ultimate – it's a great day out to top off with a delicious meal from our brigade once you've built up an appetite.

North Yorkshire has a thriving horseracing fraternity, with 'Yorkshire's Garden Racecourse' in Ripon, with ten other point to point venues scattered across the county with regular meets.

TARIFF

All prices quoted are per room per night and include our famous hearty Wensleydale breakfast. We are very proud of our breakfast. All the produce we serve is sourced from local suppliers. This guarantees excellent quality, a great tasting breakfast AND allows us to support our neighbours (local farmers and producers).

The Staveley Arms is located just opposite The Old Coach House, and can cater for evening meals and lunches. For more information visit www.thestaveleyarms.co.uk. On the days when The Staveley Arms is closed, there are plenty of other eateries close by which we will happily advise on.

Please note unfortunately we are unable to accommodate pets and children under the age of 14 years of age, see our terms and conditions for details.
